## FREE CLUB EVENT

A free club event is an event that the club will pay for (such as a meal, a portion of the meal, admissions fee to an event/museum, etc., or an ice cream treat near the end of a cruise). This will be for a member and spouse or significant other. To qualify for a free club event, a member must attend at least one of the following: 1) a regular club meeting; 2) help with a club fund raising event; or 3) help with a club community service event. This must be done within the three months prior to the free club event. All free club events will be posted in the newsletter at least four months before the event. All free club events are open to all club members but if you don't attend one of the club events above, the club will **NOT** pay for the event for you and /or your spouse or significant other.

**Trip to Balltown for lunch. Meet at Sageville School 12:00 p.m. (noon). Lunch will be paid for members and spouse as club free event criteria. After lunch will be a short cruise for those interested.**

Why did the Classic Car Owner install a rear window heater even though it wasn't an original factory feature? So his family could keep their hands warm when pushing!

# RECIPE OF THE MONTH

Linda Auderer

Pflaumenkuchen

(Plum Cake)

3 pounds small, black plums, quartered  
4 cups flour

1/2 teaspoon salt  
4 eggs, divided  
1 tablespoon vanilla  
Apricot jam

## Directions:

In a large bowl, combine the flour, butter, sugar, salt, egg yolks and vanilla. Mix until it forms a dough. Press the dough onto a cookie sheet, forming a slight rim around the edge. Correspondence

Dear Club Members

Many thank to "ALL" of you for participating in the Memorial Day Parade. Also thanks for the cars used in the 1st Division. Special thanks to Ken Kutsch for providing my car. Again, I'm very grateful to all of you !

Mary Reuter - Parade Co-Ordinator

I tell you, women drivers are a hazard to traffic. Driving to work this morning on the freeway, I looked over to my left and there was a woman in a red Mustang doing 85 miles per hour with her face up next to her rear view mirror putting on her eyeliner!

I looked away for a couple seconds and when I looked back she was halfway over in my lane.

It scared me so bad I dropped my electric shaver in my coffee, and it spilled all over my cell phone!

2nd Annual Dubuque's Cruisin' For a Cure Car Show
